Center

Bioconservatism

85%

MATCH

Position that opposes genetic manipulation and the technological enhancement of the human body, defending ethical limits on science in the name of dignity, human nature, and prudence toward the future. Compatibility indicates how close your answers are to this profile.

“

— A SENTENCE THAT DESCRIBES YOU

I want a society that draws ethical limits on genetic manipulation and body enhancement, protecting human dignity in the face of science.

This is how someone from **Bioconservatism** would sum up the society they want.

02 What sets you apart

Your most unusual position

Control

You lean further toward free market than 81% of the ideologies in the catalog.

Of all 12 axes, Control is where you depart most from the field. It is the trait that sets you apart.

Your most typical position

Diplomacy

Your position on Diplomacy sits almost exactly at the catalog median.

This is common ground. You lean neither toward pacifist nor to the opposite pole.

Your internal tension

Public and Free market at the same time

Only 4 of the 250 ideologies in the catalog hold both of these positions.

Closest matches: Georgist Reformism, Anarcho-Naturism, Geoanarchism. In the catalog, Economy and Control usually move together. You reverse that pattern.

03 Countries closest to you

PRESENT-DAY

Most compatible country

84% match

Italy

Fragmented-industrial republic

A Mediterranean parliamentary republic, Italy unites a long cultural heritage, a diversified market economy, and unstable, fragmented politics, with the recent rise of conservative and nationalist forces.

HISTORICAL

Most compatible country

79% match

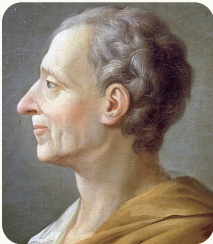

Weimar Republic

Unstable parliamentary republic

1919–1933

Germany's first democracy, the Weimar Republic united parliamentarism, proportional representation, and intense cultural life, but was undermined by economic crises and political instability that paved the way for Nazism.

04 Figures closest to you

Most compatible personality

85% match

Montesquieu

Philosopher

1689–1755

A French Enlightenment philosopher, Montesquieu formulated the separation of powers and institutional moderation, defending constitutional monarchy and government limited by laws as a defense against despotism.

Other matches

Right

Aristocratic Liberalism

Liberalism before mass democracy: it guarantees civil liberty, property, a free press and a lean state, but restricts the vote to educated property owners, fearing that unlimited popular sovereignty would destroy the very...

Right

Agrarianism

Republican tradition that idealizes the small landowning farmer as the basis of civic virtue and liberty, advocating wide distribution of land, limited and decentralized government, and distrust of banks, public debt, industry...

Center

Kantian Republicanism

Kant's political philosophy, grounding the state's legitimacy in the autonomy of reason and the rule of law, defending a moderate representative republicanism and a federation of free states as the path to perpetual peace.

The ideology furthest from you

Techno-Socialism

Radical Left

40%

Current that joins the dictatorship of the proletariat with technological accelerationism, defending a revolutionary party, data-driven planning, automation, and collective ownership to lead the transition to communism.

— ABOUT THIS REPORT

12 Axes compares your answers with profiles of ideologies, countries and figures on the same 12 axes. Compatibility measures closeness between profiles; it is not a scientific diagnosis or a definitive label. Your answers are not stored.
